About US

Hello there! 🎉 I'm **HABIB**, a Junior Full Stack Developer marking my one-year milestone in the world of coding and creativity. Over the past 12 months, I've dived into the realms of front-end and back-end development, navigating through languages like JavaScript, HTML, CSS, React, and Node.js. My passion lies in problem-solving and turning ideas into user-friendly applications. Thriving in collaborative environments, I bring adaptability and a hunger for learning to every project. Here's to celebrating my first year and looking forward to contributing my skills and energy to new, exciting ventures! 🚀

Experience

2021 - 2024

Hello! 🌟 I'm HABIB, a budding Full Stack Developer with a fresh perspective and a hunger for knowledge. While I may not have professional experience yet, I've spent the past year passionately exploring the world of coding. My journey includes delving into languages and I'm eager to apply my skills in a real-world setting. I thrive on challenges and am committed to continuous learning, making me an enthusiastic candidate ready to contribute, adapt, and grow. I'm excited to kickstart my journey and contribute to innovative projects. Let's embark on this coding adventure together!
